

Nursery News

January 2012

Welcome back, we hope you all had a lovely Christmas and New Year. Our theme for this term is Transport, we will be focussing on walking, bikes, cars and trains this half term.

May we remind you that we do PE on Mondays and Fridays and would appreciate it if you could send your child in child-friendly footwear as we are encouraging them to be independent taking off and putting on their shoes.

We do try to go outside every day so please send in warm coats (named please!) and sensible footwear.

The children who started in September and who will be going into school this autumn have all settled really well and our expectation is that they will all now be attending for the full 5 sessions. If your child is unable to attend for any reason please let us know by phoning the office.

All of the children are very confident coming into nursery and we feel that in order to further encourage their independence they are able to start to say goodbye to you at the door and hang up their coats and bags themselves.

As usual we are always pleased to have parent helpers, a rota will go up on the board shortly. Please come and speak to a member of staff if you have any concerns.

Kind regards,

 

Jan Hodgson and Gill Nevin
